

REMARKS

Amendment to the Claims

In response to the Notice of Non-Compliant Amendment, Applicants hereby submit a corrected claim set in which claims 39-42 are properly designated as "Currently amended" with proper markings of the changes. Claim 45 presented in the previous response was amended incorrectly to be dependent from claim 26, a canceled claim. Therefore, no amendment is made to claim 45 in the instant response and it is properly designated as "Previously presented." All of the remaining pending claims are properly listed and possess the appropriate claim identifiers.

Because only the "Listing of the Claims" was deemed to be non-compliant, Applicants have re-submitted only the "Listing of the Claims" section in this response. The Remarks/Arguments section of the Response to office action filed on October 15, 2009 is not required to be re-submitted with this response, as discussed in section 2 of the Notice of Non-Compliant Amendment. Applicants request entry of the Remarks/Arguments filed on October 15, 2009 and the claims as provided herein.

Conclusion

Applicants believe the present application is in condition for allowance. Early favorable communication thereof is respectfully requested. Although no fees are believed to be due, the Commissioner is authorized to charge any additional fees, such as extension fees or other relief that may be required, or credit any overpayment to Deposit Account No. 50-0310 (67461-5097US01). Please direct any calls in connection with this application to the undersigned at (415) 442-1302 (direct).
